Hi James,

The po number we used to order the US PHARMACOPEDIA products is 1270038 this information needs to be sent with the DEA License and the 222 form. Make sure you send the forms to the address I gave you and only add the items to the 222 form that applies. Just a gentle reminder if the form are not filled out correctly they will kick it back and inform you by mail. Let me know if you have any questions.
